RE: Close out Letter for Cash Collection Walkthrough – Central Cashiering and Child Support

Dear Lorraine Wells:

The Division of Internal Auditing (IA) conducted a review of the Central Cashiering and Child Support location cash collection process on October 18, 2022 and October 25, 2022. The results of that review were provided in the Cash Collection Walkthrough – Central Cashiering and Child Support (Courthouse) memorandum dated November 7, 2022.

The department provided their corrective action plan (CAP), which was included as part of the issued memorandum, and all items provided with the CAP response were reviewed. The department indicated they completed recommendations on November 14, 2022. IA accepts the previously provided response and is providing this close out letter to document the IA status that the above noted review is considered closed. No further information is needed related to this specific review.

This close out letter will be available on the IA webpage along with the cash collection walkthrough memorandum, which are considered public documents.

If you have any additional questions, please give me a call at (850) 606-4019.
