RE: Close out Letter for Cash Collection Walkthrough – Office of Intervention and Detention Alternatives (OIDA)

Dear Teresa Broxton:

The Division of Internal Auditing (IA) conducted a review of the Office of Intervention and Detention Alternatives' cash collection process on February 9, 2022, for administrative and court-ordered fees collected from December 1, 2021 through February 9, 2022. The results of that review were provided in the Cash Collection Walkthrough – Office of Intervention and Detention Alternatives memorandum dated February 16, 2022. See Attached.

The department provided their corrective action plan (CAP), which was included as part of the issued memorandum, and all items provided with the CAP response were reviewed. The department indicated they completed recommendations on February 17, 2022, February 23, 2022, and March 1, 2022. IA accepts the previously provided response and is providing this close out letter to document the IA status that the above noted review is considered closed. No further information is needed related to this specific review.

This close out letter will be available on the IA webpage along with the cash collection walkthrough memorandum, which are considered public documents.

If you have any additional questions, please give me a call at (850) 606-4019.
